A Regal Brand

REGAL

Spherical Roller Bearings GMEX - Excellence line

“Customers all accross the globe challenge us in finding solutions that optimize their production and reduce their energy consumption.

They expect high quality for a competitive price.

Well, they are right and GMEX is what they are looking for.”

Gerrit Moeyersons

Managing Director - Regal Beloit Belgium nv

Improved precision, roundness and surface finish results in low friction and low power consumption

Robust, single piece, brass cage. Asymmetrical roller position. Cage guided on the rollers.

Rings and rollers are manufactured in high grade ROL2 steel, specified high purity material with low retained austenite level

EXCELLENT PERFORMANCE FOR

- Industrial heavy duty equipment
- Gearboxes

APPLICATION CONSIDERATIONS

The proper selection and application of power transmission products and components, including the related area of product safety, is the responsibility of the customer. Operating and performance requirements and potential associated issues will vary appreciably depending upon the use and application of such products and components. The scope of the technical and application information included in this publication is necessarily limited. Unusual operating environments and conditions, lubrication requirements, loading supports, and other factors can materially affect the application and operating results of the products and components and the customer should carefully review its requirements. Any technical advice or review furnished by Regal Beloit America, Inc. and its affiliates with respect to the use of products and components is given in good faith and without charge, and Regal assumes no obligation or liability for the advice given, or results obtained, all such advice and review being given and accepted at customer's risk.

For a copy of our Standard Terms and Conditions of Sale, Disclaimers of Warranty, Limitation of Liability and Remedy, please contact Customer Service at 1-800-626-2120. These terms and conditions of sale, disclaimers and limitations of liability apply to any person who may buy, acquire or use a Regal Beloit America Inc. product referred to herein, including any person who buys from a licensed distributor of these branded products.
